Bringing Christ to Every Crisis

A program designed to train men and women in the service of chaplaincy

Chaplains must be at their best to help others when they are at their worst.

About CTI

The Chaplaincy Training Institute (CTI) is established to help train men and women in the service of being a chaplain, how to be effective in this important role, the challenges, the benefits, and overall chaplaincy in today's society.

No matter what type of chaplain you might be considering, CTI's goal is to fully prepare you for the call!

*~Our Vision~
Christian chaplains
bringing Christ to
every crisis*

*~Our Mission~
Train Christ-centered chaplains
to serve with compassion,
integrity and dignity*

CTI was founded in 2017 in Indianapolis, Indiana by Dr. Wynne D. Berry, Sr., Th.D., D.D., who is a certified chaplain with the Indianapolis Metropolitan Police Department. Dr. Berry's published book, "The Theology of Chaplaincy in Modern Society", and its accompanying training manual, is used across the country and internationally to help educate chaplains, potential chaplains, and ministers at every level to expand their understanding on how to serve the needs of people at their most vulnerable moments in life.

Dr. Berry proudly serves as founder and senior pastor of Judah Life Destiny Church in Indianapolis, Indiana.
